A DEEP-DOWN
CLEAN
FOR HARD SURFACE FLOORS.

MINIJET

R15817

Available
JUNE 2013

- All new accessory that attaches directly to the Rainbow.
- Allows shampooing of smaller areas that AquaMate is not practical for, like stairways, closets and tight corners. Can also be used to shampoo upholstered furniture - couches, sofas and chairs.
- Great for spot cleaning and stain removal - when you don't necessarily need to shampoo the whole room.
- Very easy to setup and use - at a moment's notice.
- Uses Rainbow's powerful airflow to extract dirt and stains, leaving surface clean and dry.
- Small, handheld nozzle - allows you to see the dirt you are removing.
- Trigger on handle allows you to apply the exact amount of cleaning solution for the job at hand.
- Lightweight 10-foot hose reaches up stairways.
- On-board refillable tank (like the RainJet).
- Ships with a starter bottle of concentrated AquaMate Shampoo solution.

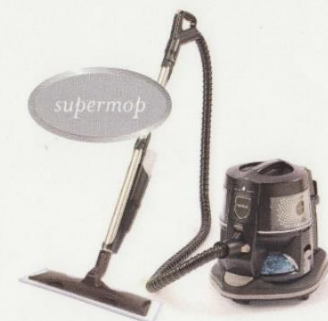

SUPERMOP

R15798

Available
JUNE 2013

- A new attachment for the RainJet used primarily for light cleanup of hard surface floors.
- Massive size - cleans large rooms in minutes.
- Microfiber cloth attracts dust and dirt.
- Unlike other products, the SuperMop uses the Rainbow's power to extract excess liquid, leaving floors dry and squeaky clean.
- The reusable microfiber JumboPads are washing machine safe and can be reused many times.
- The SuperMop may be used with plain water or water mixed with Rainbow's concentrated Clean Floor solution.
- Can be used without the RainJet as a dry duster mop if attached to the end of the standard wand.

*Bigger cleaning jobs
often call for bigger tools...*

Jumbo Floor & Wall Brush

Covers a larger area with every pass, allowing you to clean large surfaces in less time. Measures 14 inches (35.5 cm) wide.
